

Birthdays at the NHM Vienna

Big and strong (ages 4 to 6)

Go on a journey of discovery with your friends to meet the world's big and strong animals. Children can make their own lion mask, touch a real ostrich egg, and see how big they are compared with a whale.

In search of dinosaurs! (ages 6 and older)

Celebrate your birthday between T-Rex and Allosaurus as you help our dinosaur researcher search for fossilized bones.

Animal Quiz Tour (ages 6 and older)

Can penguins fly? Do hedgehogs live in groups? Do turtles have teeth? All children are invited to guess features and qualities of different animals during an exciting animal quiz tour. At the beginning of the tour we will decide, together with the children, which animals we are going to see. If specific animals are to be included in the tour, please bring a wish list to the museum (pick a maximum of 6 animals from the selection below).

Selection: Japanese spider crab, squid, housefly, shark, sunfish, anaconda, leatherback sea turtle, penguin, ostrich, dodo, kiwi, beaver, bat, hedgehog, Tasmanian tiger, elephant, whale, rhinoceros, European bison, red deer, brown bear, polar bear, wolf, seal, tiger, orang-utan

The tour uses elements of the animal trivia board game *Können Schweine fliegen?* (Can pigs fly?) by Kosmos (<https://www.kosmos.de/spielware/spiele/kinderspiele/7246/koennen-schweine-fliegen>).

Ice Age children and their world (ages 6 and older)

Booking available as of September 2025.

Make a wish for an Ice Age journey for your birthday, including mammoths, cave bears, and Stone Age music! Discover our mysterious cave together with your guests and enjoy a special birthday serenade played on Ice Age instruments in the cozy tent.
